

Irrigation Company

The Richmond Irrigation & Power Company is a nonprofit, mutual irrigation company and is not run by the city. A Board of Directors guides the company; stocks (shares) are issued by the company to shareholders who then have the right to use water pursuant to the water rights held by the company.

As a service to the irrigation company and its shareholders, Richmond City will post information from the company on the city website.

If you have questions about the irrigation schedule, how to purchase a share, etc., PLEASE contact the irrigation company and not Richmond City.

The Board of Directors meets on the second Thursday of each month at the Park Community Center (90 S 100 W). Meetings begin at 7:00 P.M. except when Daylight Savings Time is in effect; then meetings begin at 8:00 P.M.

Billing statements for June will be sent out by email through Quickbooks. If you have not provided your email address please do so by sending an email to richmondirrigation156 [at] gmail.com with your name and email address. Assessments are due by August 1st.
