

Welcome to White Pine Elementary!

We are excited to welcome you and your child to an exciting world of learning. To help you prepare for the upcoming school year, White Pine Elementary is eager to introduce you to our Time Together program. We invite you to explore our Time Together website. You can find the link to our website on the White Pine Elementary website by looking for the Time Together banner and clicking on the link. [White Pine Elementary](#)

Due to Covid restrictions, we will not be able to conduct our in person parent workshops this year; however, you will find several videos along with valuable information and parent resources on our Time Together website. This information is designed to help you prepare your child to enter school.

We invite you to check out a Time Together kit, available at the White Pine office during the hours of 8 am-4 pm, Monday through Friday. Information on the kit components and ideas for utilizing the kit can be found on the website. Please contact Belinda Burningham with any questions: belinda.burningham@ccsdut.org
