Parade Directions for May 15, 5:00 pm

“A” is the actual starting point of the parade. It proceeds north along State Street to Main Street, where you turn left for one block, then left again. The parade route ends in front of Park Elementary School.

Because State Street is narrow, we ask all participants to enter from the south at 9000 North along Highway 91. There'll be a sign at the intersection. **Line-up is strictly in the order you arrive.** Please do not block any driveways along the staging area with your parade entry. Parking is not available along the staging area; I suggest you park your travel vehicles at Park Elementary (the end of the parade) and the city park.

Beginning at 4:30 pm, south bound traffic along State Street will be stopped at 600 South State. If you have riders for your float that need to be dropped off, they must either enter at 9000 N Hwy 91 or walk from 600 South State. Please be in line by 4:45 pm.

As in past years, horse groups are encouraged to turn onto 600 South Hwy 91 (North Cache School) and unload just east of the parade start

(between State Street and 100 East). Bands may unload and line-up in the parking area at North Cache.

I will be driving along the parade line-up and staging areas on an ATV; flag me down if you have questions, etc. My cell phone is 435-760-8961. And remember—there will probably be a lot more going on in town this week (depending on COVID restrictions): Holstein cattle show, movie & music night at the park, and on Saturday is the Cowabunga Race, Chuckwagon Breakfast, Highland Games, Family Entertainment, vendor booths, and one of the last open Draft Horse Pulls in the nation. For times on all these, go to <http://www.richmondutah.org/bwdays.html>.

See you there!!
